

WATERFALL

Clear outcome

Certainty: done similar before

BUILD A DREAM HOUSE

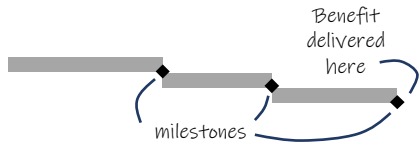

Plan everything up front

Resist change

Scope more important than time, cost, quality

Follow disciplined plan; say no to scope creep

Progress = milestone delivery

AGILE

Clear outcome

Lot of uncertainty

MAKE CURRENT HOUSE NICER

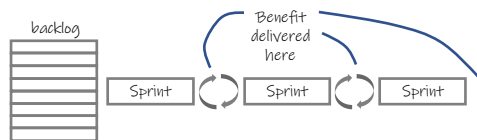

Just enough planning up front

Welcome change

Time, cost, quality more important than scope

Disciplined prioritisation; say NO to less important things

Progress = benefits realised

LEAN START-UP

Clear outcome

No idea how to get there

REDUCE ENVIRONMENTAL IMPACT OF HOUSE

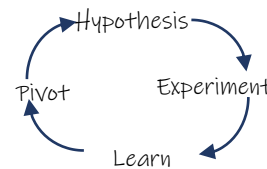

Entrepreneurial

Innovate

Learn & "pivot" into new direction

Disciplined learning; quickly say NO to things that don't work

Progress = learning gained and uncertainty reduced

LEAN

Existing process

Those doing it know best

GET THE HOUSEWORK DONE QUICKER

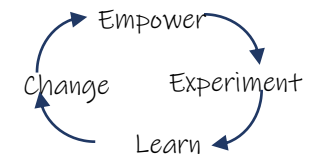

Continuous improvement

Growth mindset

Look for new ways to work & focus on value

Challenge current ways of working, experiment & learn

Progress = increased efficiency
